When someone wants to start growing cannabis, they may be filled with questions: Is it legal? Can it be done inside or outside? It is hard to grow? In this book, you'll find a clear, step-by-step manual to the world of marijuana. Longtime licensed Oregon-based medical-grower Alicia Williamson explains the entire process--from choosing seeds or clones

to proper curing and storage of harvest. You'll also find: Information on the legality of growing Tips on growing indoors, outdoors, and in containers Troubleshooting information for plants that just won't grow Recipes for edibles such as fruit rollups and chocolate lollies Growing cannabis can be challenging, yet rewarding. From the beginner just starting out to the experienced gardener wanting to improve quality and productivity, this is the complete guide to everything marijuana.

About the Author Alicia Williamson has spent the past thirty-five years growing cannabis in California and Oregon, where she is licensed to grow for Oregon Medical Marijuana Program (OMMP) patients. Williamson gives talks and demonstrations at OMMP patient/caregiver meetings and has served as a judge at the Oregon Medical Cannabis Awards. She served for many years on the board of directors for Oregon NORML. Williamson has been published in *Counterpunch* and *West Coast Leaf*.
