22 of 23 people found the following review helpful. Clever book By Kat A. I really love quite a few of the ideas in this book. All have nice pictures and instructions and the difficulty of the projects range from easy to difficult. I also like the fact that they show different methods of achieving the same organizing solution but there are different price ranges

so you can choose according to budget and complexity. Even looking at the photos gave me other ideas that I can also use. Originally, I checked this book out at the library, but liked it so much bought myself a copy. And my sister, ever the handyman, bought a copy as well. 2 of 2 people found the following review helpful. Great book with great ideas By K. L. S. I ordered this after seeing it in the store and got it way cheaper here. It has tons of great ideas for in the house and garage. It also has diy ideas that are very thrifty and sometimes simple to do. I have so many pages marked for ideas to try. I'm very glad I got this book. 0 of 0 people found the following review helpful.
