**Lewis Hill, Leonard Perry : The Fruit Gardener's Bible: A Complete Guide to Growing Fruits and Nuts in the Home Garden** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Fruit Gardener's Bible: A Complete Guide to Growing Fruits and Nuts in the Home Garden:

30 of 31 people found the following review helpful. Good, esp for northern areas By Michael J Uhler Good, but with a bit of a focus on northern climates that I am not interested in, living in California. 13 of 13 people found the following review helpful. Welcomed addition to my library. By Emily Belle So far, it has answered all my questions about all my fruit trees...and I planted 2 dozen this year! I have sweet and sour cherry, 6 different varieties of apples, 4 different varieties of peaches, a nectarine, 3 different plums. I now know why some of my cherries died, and how to save the

rest. Being new to growing an orchard, this book has become invaluable. It is well worth the price. 0 of 0 people found the following review helpful. Perfect for Planning the next orchard By Happy Booker Great book. Planning is everything and as I am getting ready to start the retirement cottage, this book is wonderful for tips on where to put the apple trees, what facing slope, standard, dwarf, semi dwarf? things I never thought about. Covers all areas of the country, thought provoking for production, enjoyment and just an great reference. Love it

Enjoy bushels of crispy apples and baskets of juicy blueberries from your own backyard. Authors Lewis Hill and Leonard Perry provide everything you need to know to successfully grow delicious organic fruit at home, from choosing the best varieties for your area to planting, pruning, and harvesting a bountiful crop. With tips on cultivating strawberries, raspberries, grapes, pears, peaches, and more, this essential reference guide will inspire year after year of abundantly fruitful gardening.

From the Back Cover Juicy, Ripe, Nutritious, and Grown in Your Own Backyard Bring the mouth-watering deliciousness of fresh fruit into your garden.
