John Brooks : The Garden Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Garden Book:

1 of 1 people found the following review helpful. SO old, yet so much infoBy NoodlesU love this book, although see if your local library has it first, to make sure it is a garden book, you'll want to keep for ages. For me it was, for others it might not be - enjoy!

The Garden BookEverything you need to know about planning, building, planting, and maintaining a garden can be found in this lavishly illustrated guide by internationally renowned landscape designer John Brookes. Contains more than 1,000 illustrations and plans in addition to 400 full-color photographs.
