David Owens : The Garden Guy: Seasonal Guide to Organic Gardening in the Desert Southwest (Outdoor and Nature) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Garden Guy: Seasonal Guide to Organic Gardening in the Desert Southwest (Outdoor and Nature):

1 of 1 people found the following review helpful. Wonder Garden GuyBy fantasticThis is a fantastic book and has everything you need to know and it's done by a fantastic garden guy here in Arizona.This is a must book to own. Thanks so much Dave!0 of 0 people found the following review helpful. Excellent book for the Arizona gardener.By AMRThis book is a great guide and reference for the Arizona gardener. The organic solutions in a chemically driven prevention processes is welcome advise. It is presented in an easy to understand format. The month by month planting guide is excellent. I will be using many of the solutions and methods in this book to improve my gardening skills.0 of 0 people found the following review helpful. Very happy.By Robert C. WilsonExactly as described, Very happy.

Dave Owens' sequel to his best-selling book, Extreme Gardening, is jam-packed with more of his great gardening ideas that work especially well her in the Desert Southwest. This book is broken down by months, in an easy-to-read, handy organic gardening manual a calendar of what to do and when to do it. It answers such often-asked questions as:How and when do I prepare my lawn for overseeding?When is the best time of year to spread wildflower seeds?What's a houseplant that even the "brownest" thumb should have?How do I amend my soil organically?What is the magic ingredient that no garden should be without?What is a must to plant along with my roses?and much, much more!Read and follow Dave's guidelines and you'll learn exactly how to create an outdoor atmosphere that will amaze even the most experienced gardeners.
