**From Western Publishing : The Greenhouse A Guide to Indoor Gardening** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Greenhouse A Guide to Indoor Gardening:

0 of 0 people found the following review helpful. Green HouseBy Sandra P LooperLoved the green house!

Mod green and clear plastic file box packed full of indexed plant cards. Various categories such as: Foliage Favorites, Thrifty Adaptables, The Classic Cactus, The Portable Forest, and other clever groups. Each card is equipped with a retro photograph of the plant and on the back, a description of the plant and recommended care.
