From Design Media Publishing Ltd : The Guidelines on Resort Design before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Guidelines on Resort Design:

The worldwide traveling fever propelled the boom of resorts. The popular resorts attribute their success to the excellent and expressed architectural and interior design. Before designing an attractive resort, architects and interior designers should know about the basic knowledge and requirements on resort design. The book, through 5 parts of master planning, environment design, architectural design, swimming pool design and interior design, concludes the basic design elements for resort design and presents 20 amazing projects. It gives the reader the guides both from theory and practice.
