F. Dan Milne : The Handbook of Canadian Log Building before purchasing it in order to gage whether or not it would be worth my time, and all praised The Handbook of Canadian Log Building:

2 of 2 people found the following review helpful. Great bookBy John VanTreesThis is a good book full of helpful material on your journey to learning and mastering the art of log home building. Required reading if you want to attend a school.

A great handbook of Canadian log home building.
