DIY or Do-It-Yourself is a term used mostly alongside home improvement projects. It is any activity which involves the creation, remodeling, repairing and completion of odd jobs or big house repairs without the need for expert or professional help. DIY projects can help you create the home you truly love at a budget you can very well afford. DIY home projects which you can do on weekends, for example, are a popular way to have the home features you want to improve your lifestyle as well as to add value to your home. DIY landscaping, lawn care, decorating, cleaning and household repairs are small odd jobs you can do easily to beautify and maintain the home. The purpose of this book is to give resourceful tips and how-to instructions for do-it-yourself home improvement and home repair to help you save money. You will learn the following: Installing tiles Installing a drop ceiling Making kitchen cabinets Painting a bathroom Building a home swimming pool Decorating small box rooms Wooden floor upkeep With detailed instructions and the knack for doing household repairs and small jobs for the home, anyone can be a capable DIY handyman. With this book's help, you can learn all the basic skills and requirements you need for various DIY projects so you won't need to hire other people to do the work for you.
