**Jain Lemos : The Home Renovation Workbook (Home of Your Dreams)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Home Renovation Workbook (Home of Your Dreams):

Home renovation just got easier with The Home Renovation Workbook. This indispensable planner is a complete interactive, hands-on guide to home remodeling. From creating a floor plan to hiring help, this workbook is the key to getting the work done right (the first time). It takes homeowners through the entire process, tackling big-picture issues such as avoiding budget and schedule pitfalls, coming up with practical design plans, and hiring the right team. This three-ring binder's handy checklists, sample documents, and design boards build confidence, resources, and, most importantly, provide the peace of mind necessary to make any home renovation undertaking a success from start to finish. It may just be the most cost-effective item and best-spent money of the entire renovation project!
